CLASSES

VALEDICTORY

Our four years of High School education have been brought to a close and we have fulfilled our ambition of graduation.

Although this is the climax of a most happy period, the occasion is sad when we realize that, as a class, we shall probably never be gathered in so close a relationship again. Each one of us has an individual purpose to fulfill and our paths will diverge from this point on.

Let us try to become good citizens of our community and country by keeping our minds alert and by using our intelligence to the greatest advantage. May we always give our best to society when the need arises.

The members of the faculty have been very kind and helpful to us and we are grateful. We appreciate the efforts of the citizens of this city and of the Board of Education in making a High School education possible for us. Our sincere thanks go also to our parents who have aided us so much throughout our school life.

We must now say farewell that new classes may avail themselves of the privileges which we have enjoyed.

BETTY CLINE
January, 1937.

SALUTATORY

We, the class of 1937 about to close another chapter in the book of life, pause to look back upon our happy past with mingled joy and sorrow and to thank those who have unfalteringly guided us that we might attain our goal of graduation.

For four years we have worked to attain this end. It might be well as we stand poised upon the threshold of the future to ponder over the qualities which Henry VanDyke believes indispensable to ideal manhood:

"Four things a man must learn to do
If he would make his record true:
To think without confusion clearly;
To love his fellow men sincerely;
To act from honest motives purely;
To trust in God and Heaven securely."

By following these edicts we might be of service to an ever changing world. Although we cannot all achieve great or lasting fame, we can become intelligent citizens striving to build a better America in which we may fulfill our desire to live successfully and happily.

Whether leaders or followers we must face the future with courage and determination. Each will strive to contribute to the succeeding chapters in his book of life according to his own abilities.

As Douglas Malloch says:

"If you can't be a highway then just be a trail,
If you can't be the sun be a star;
It isn't by the size that you win or you fail—
Be the best of whatever you are!"

SIDNEY ROOD
January, 1937.

VALEDICTORY

The time has come to say farewell. When we leave this school, we shall soon be forgotten as a class, but somewhere in the world, 183 people will find their individual places in life. Most of us will never be heard of again, but others will push and squirm forward until they have the eyes of the world upon them. Fame and fortune are their goal, but often they are not happier than their less renowned classmates. "To be truly happy is a question of how we begin and not of how we end, of what we want and not of what we have." A goal to work for is always the motive for living and learning, and when all aspirations are attained easily, life becomes a dull, drab boredom.

The outcome, then, is not so important as the manner of getting there. If we knew how our lives would end, our days and nights would be too full of exultation or despair to afford us one moment of serenity.

The future is a vague shadow but hope is like a strong friendly beacon to light up the course we must follow. As Stevenson says, "To travel hopefully is a better thing than to arrive."

PHYLLIS HOFFMEYER.

SALUTATORY

As salutatorian, it is my first duty to greet my friends and schoolmates. First, I want to welcome the members of my class, that of June '37. I am proud to be a member of a group that has succeeded so well in making its High School career really worthwhile. Our purpose during these years in school has been to prepare ourselves for adulthood. For many of us, this preliminary preparation is over. Our graduation and Commencement Exercises are the first important milestones in our true lives.

Next, I wish to welcome the administration and the faculty, and to thank them for their interest in our activities and for their patience with us. It is through their teaching and guidance that we are fitted for our graduation.

Lastly, I want to welcome the underclassmen. Many thanks are due them for their co-operation in our projects. Much of our success in these can be credited to them, for there are few things that a class can accomplish entirely by itself.

I believe my classmates will agree with me when I say that, for us, High School has been well worth the effort. In spite of being studious young people, we caught the spirit of the thing, and had really good times together. In the tenth grade, having finished the ordeal of acquainting ourselves with the students from the other Junior High Schools, we enjoyed an evening of dancing and fun at a 10B party. Mr. James C. Mills was our class adviser during that term and also during the following term. At the beginning of our Junior year, Mr. Cleminson came to Port Huron to be our principal. The remodeling of the building for the High School Gymnasium was completed about this time. We enjoyed the Assembly programs held there each Thursday. We had fun participating in the preparation of several of these.

During the summer of 1936, Mr. Mills left the teaching profession, and we were at a loss for an adviser. However, at the beginning of the semester, we were very fortunate in having Miss Meehan assigned to be our senior counselor. We know how hard she has worked to accomplish so much for us, and we appreciate it.

In general, we have tried to make the most of the opportunities offered us. Although we have had some failures, most of our attempts have resulted in success. Thus far, we have tried not to give up at the first hint of discouragement, but we have kept on. I believe that our successes exemplify the class motto chosen recently: "No man has failed 'til he has ceased to try."

The Choir is a group of 109 members which meets every ninth hour in the school auditorium under the direction of Miss Bess Hyde. They were active this year sponsoring three assemblies, and also gave their annual Christmas Twilight Recital and a Christmas concert. The annual Choir party was given with many old members attending. This spring, thirty-nine members received their Choir pins at the Choir Banquet. The highlight of the semester was the annual trip to Ypsilanti for the Bach Festival.

The club was organized with several objectives in mind. The first, and probably the most important, was to make possible and encourage student work in all phases of science. Secondly, to encourage the worthy use of leisure time. Third, to permit, to the fullest extent, the unfolding of each one's own initiative. The club has had several very interesting meetings and many more have been planned.

BIOLOGY CLUB

The purpose is to enable those interested in Biology to study it further. This year the club has had many interesting field trips to make insect collections, obtain specimens for the laboratory, and make a Biology exhibit. In the winter reports on plants, insects, and the migration of birds were given.

FOOTBALL

The Port Huron High School Football team of 1936 under the excellent coaching of "Brick" Fowler, Charles Cook and Willard Blackney, finished a formidable schedule with a record of six victories in eight starts.

The call for candidates in September brought out about seventy-five "Huskies" ready to make the "36" team a winner. John Burrell and Vern Cote were co-captains of the team.

ALGONAC 0—PORT HURON 14

The down river eleven brought a fast and shifty bunch of boys with them. The game was fought on even terms until the final period when the local stalwarts swept over the goal line for a pair of touch downs and two extra points.

FERNDALE 6—PORT HURON 19

The Port Huron gridders ran up 248 yards from scrimmage to 85 for the invaders. Port Huron started right off with a bang to score in the first period; however, the Lincolnites retaliated in the last period to make the score six all. Then Port Huron staged a power-house drive to cross the goal line twice and add thirteen points to their score. "Pop" Johnson and John Burrell were the outstanding stars of the game.

ROYAL OAK 12—PORT HURON 14

The Acorns who took the field with a veteran line, a shifty backfield, and a string of twelve consecutive grid victories, were favored to win. Late in the first quarter "Pop" Johnson smashed his way through the Royal Oak eleven for the first touchdown. In the third period Royal Oak scored twice but failed to make their place kicks good. It looked bad for Port Huron, but in the last forty seconds of play, Gillean tossed a 15-yard pass to Roberts who streaked over for the winning touchdown.

MT. CLEMENS 0—PORT HURON 19

Port Huron took the field to keep the traditional "Keg." Mt. Clemens showed plenty of fight by holding Port Huron at bay several times within their five-yard line. Port Huron rang up three touch-downs, one in each of the last three periods. The players of both teams attended a banquet after the game.

JACKSON 7—PORT HURON 6

Port Huron played its hardest fought game of the season with Jackson, also undefeated, before 6,300 fans. Both teams scored once, Jackson in the third period and Port Huron in the fourth, but Port Huron's kick from placement fell short. This was the first time in eleven years that Port Huron lost by one point.

PONTIAC 9—PORT HURON 0

Pontiac came out on the field with a fast backfield, an extra heavy line and plenty of luck. Port Huron outplayed Pontiac in the first half, but passed up two scoring chances. Because of a sliced kick and a lucky pass, Pontiac got a first down on our three-yard line. After three tries Pontiac slashed over their left tackle for a winning touch-down.

SARNIA 0—PORT HURON 13

Battling on a snow covered gridiron and with a slippery ball Port Huron showed that it had regained its lost form and fight. The first half was played under American rules and the second under Canadian. Port Huron ran up both of her touch-downs in the first half.

FLINT NORTHERN 6—PORT HURON 20

Flashing a powerful offensive Port Huron outclassed Flint by running up her biggest score of the year. The first quarter was fought on even terms both teams getting six points. Port Huron added fourteen points to her score by crossing the goal line in the second and fourth periods.

JUNIORS 0—SENIORS 13

Both teams fought hard, but the Seniors managed to ring up two touch-downs in the second half.

FOOTBALL BANQUET

The banquet was held at the First Presbyterian Church. "Mike" Casteel, line coach for Michigan State, was the principal speaker of the evening. Letters were given to seventeen members of the squad and motion pictures were shown of the Mt. Clemens game.

BASKETBALL

The Red-Whites credited themselves with a very good season when they ran up a score of twelve wins against three defeats.

Port Huron defeated Flint School of the Deaf 34 to 13 to start their 36-37 season off with a bang.

Port Huron cagers barely nosed out Kalamazoo in a hard fought battle which ended in a 25-23 victory for our boys.

The Fowler Men having the edge on Ferndale all during the game, defeated them 23-11 to make it three straight.

Port Huron met their old rivals, Mt. Clemens, on their home floor and easily took over the Bathers to the score of 22-6.

Port Huron was handed its first defeat of the season at the expense of Lansing Eastern when they beat us 23-19.

Back into the winning column Port Huron nosed out St. Mary's by the score of 17-11.

Flint Northern proved too strong for the team by taking Port Huron over the hurdles 27-17, one of the hardest fought battles of the year.

Fordson, the six-man ball club, was handed a much needed defeat to avenge our defeat of last year. The score was 20-16.

All the team played to hand Mt. Clemens their second defeat of the year when we took them to the tune of 24-12.

Varsity was in fine form on the night they took East Detroit down the line to the score of 36-16.

Kalamazoo was again defeated by the Red-Whites, this time by the score of 30-27.

Port Huron easily nosed out St. Mary's again this season by the comfortable margin of 30-21.

Port Huron put the skids under Royal Oak early in the game to conquer them 23-8.

Port Huron made Grosse Pointe High their twelfth victim of the year when they won the game from them 31-23.

Pontiac handed us our third defeat of the season when she took us by the score of 33-23.

BASEBALL

The first seventeen players on the team are:

Ed. Roberts	Clyde Johnson	Tonnis Boukamp
Bill Buntrock	Bud Seely	Tenwood Schneider
Ralph Turnbull	Francis Dagg	Terence Byrne
Harvey Wendorff	Thomas Dagg	Mando Ashford
Bob Ruhlet	Bud Whybrew	Bud Pollock
Joe Guillean	Art Gibson	

The substitutes are:

Bob Kunz	Harmon Marshall	Roy Carter
Edward Barth	Bill Smith	Bill McGowan

Manager, Tom McConchie

The schedule is as follows:

April 23	East Detroit - - -	There	May 28	Kalamazoo - - - -	There
May 7	Marysville - - -	There	May 29	Flint Central - - -	There
May 11	Capac - - - - -	Here	June 4	Marysville - - - -	Here
May 14	East Detroit - - -	Here	June 5	Ferndale - - - -	Here
May 21	Ferndale - - - -	There	June 8	Capac - - - - -	There

The team under the fine supervision of Mr. Blackney started the 1937 season off with a bang by defeating Marysville 12 to 0.

Bill Buntrock, Whybrew, and Dagg will take over the pitching burden for the season, and all three of these boys look very good.

Captain Clyde Johnson is still holding down the left field position and is making a better job of it than has been done in years.

The team consists of six seniors, two sophomores, and one junior. The six seniors will be graduated in February. This will leave only three old men on the first string for the 1938 season, but Mr. Blackney will be able to organize another good team from new material as he has done in the past.

GOLF

MEMBERS

Bill Wittliff	Bob Campau	Ford Whipple
Fred Campau	Kenneth Hill	

The schedule is as follows:

April 26	St. Clair	There	May 11	St. Clair	Here
	Lost 8½ to 3½			Won 9 to 3	
April 29	Mt. Clemens	Here	May 14	Mt. Clemens	There
	Won 7½ to 4½		May 20	Flint Central	Here
May 5	St. Stephens	Here	May 26	St. Stephens	There
	Won 7½ to 2½		June 3	Flint Central	There

Capt. Bill Wittliff and the other members of his golf team started off the season with a bang by winning three games and losing only one, which gives them a percentage of .750 to make a good beginning for a successful season of golf.

TENNIS

The opening practice was greeted by seventeen enthusiastic boys who were all set to help put tennis over in a big way. These seventeen netters will play inter-team matches to select the best players. The team, ably coached by Carl Steinborn, has scheduled two games with Mt. Clemens and two with St. Clair. Both of the home games will be played at Pine Grove Park.

By their enthusiastic start, these fellows are almost sure to make the team a winner.

CLARENCE PHARE MEMORIAL

The Clarence Phare Memorial is a dedication to those boys who fail to make the varsity grade, but who give the best they have at all times, always showing good spirit and good sportsmanship.

The boys, to receive the award, must play the game for the love of it rather than for the glory of winning; be courteous to visiting teams and officials; train faithfully; look at the sport as not an end in itself, but as an aid to health, pleasure, and above all, self-control and character.

These boys are to be chosen by the High School Principal, the Athletic Director and the Basketball Coach.

Charles Cowley was awarded this honor for the 1937 season because of his wonderful sportsmanship, his ability to stick to the training rules, and the fine way he took Mr. Fowler's decision about not playing in the Flint Northern game after the doctor had said that he could play.

Cowley, fully realizing he was able to play, did not doubt Mr. Fowler's decision but stayed on the bench and cheered for the man who was taking his place.

Captain Charles Cowley has all the fine qualities of the two boys who have previously won the award, and there is no boy in Port Huron High School at the present time that is more deserving of this honor.

BOYS' INTRA-MURAL

Boys' Intra-mural served as a recreation center during noon hours on Monday, Thursday, and Friday, and on Tuesday and Thursday after school.

The program during the year was comprised of basketball, volley ball, wrestling, boxing, tumbling and baseball. These extra hours in the gym have helped to provide more athletic interests in the school. The intra-mural was carried on under the direction of Carl Steinborn.

A boys' league was organized among the class teams to play basketball and baseball. The results from the basketball tournament are as follows: 12A-first; 11A-second, 10A-third.

CHEER LEADERS

It has always been the custom in the past to have boy cheer leaders, but this year we broke away from the precedent and had girl cheer leaders. This turned out to be a refreshing change, and, along with the regular boy cheer leaders, they turned in a very capable performance at all our home games and at the regional tournament. The three girls who made such a swell job this year were Virginia Anderson, June Bankson and Helen Munger. The three boys who teamed up with the girls were Bruce Carmody, Jack Russell, John Thorn, and Wilbur Norris, alternate.

ODDS AND ENDS

AROUND THE WORLD IN 1950

The China Clipper rides so easily that the trip was a pleasure, especially with Tommy Johnston as pilot and cutie Ruth Green for the stewardess. We came across the Pacific with that honeymoon couple Bernadette Keough and Bruce Sichterman. Upon landing in San Francisco we were effusively greeted by Mayor Jim Hoffman. We drove down to Cinema Town and were shown through Maclean's International—whose executive is Howard Maclean. The current idol is Jack Butler—and any wonder. While the male contingent's heart beats for Catherine Postal. Bidding adieu, we boarded an east bound train. The genial Chuck Quinlan, conductor, was talking to an old maid, Doris Kleinstiver. Stopping for a few hours in Chicago to do a night club. Carlton Bradt's band was swinging it. The underworld's new menace, Walter Goodwin, was pointed out to us. East again—stopping in Detroit to view Francis Dedering's artistic endeavors. Then up to the home town and through the old school where we found Helen Lapitsky teaching Latin. Having nothing better to do, we drove Texasward to find none other than Charles Lomas roping the steers. Reading that Barbara Gracy was suing Gladys Peterson for the alienation of affections of her husband, Wilson Knaus, we grabbed a train for New York to witness the trial. Walking down Broadway, we glimpsed Virginia Hebner's name in bright lights landing a new musical. Further up the street in a new play written by Ronald Robbins and produced by George Sedwick and starring Margaret Royan. Leaving the noise of the metropolis, we boarded a luxury liner, captained by Charles Brown, for Europe. That night while dancing we saw giggilo, Tom McConchie, paying his respects to a wealthy dowager. After a stormy crossing, we reveled a bit in some of the bright spots. "The Green Parrott" managed by Dick Kapanka, was bodyguarded by Russell Gustke. The beauteous chorines were led by that graceful lady, Barbara Tomlinson. Then on to Paris and shopping. The most stunning creations, Doris Brothwell's originals, were modeled for us by Phyllis Turck. To the land of wind and song—Italy—where we had a glimpse of Mussolini's right hand man—Keith Riddell. Back up to Germany where Verdun Hering's new inventions are startling the world. Then to Moscow where the Moscow ballet is being led by Grace Parker. Before we go back home, we might as well revisit China and see some of our old friends, Jeanne Simpson and Audrey Stafford, who are doing missionary work. We got back to San Francisco just in time to see Charles Richter shove off for parts unknown.

Ex-Grant School Convicts

What the well dressed teacher won't wear

Romeo and Juliet

Poor Lois!

Truly school-teacher-ish

One to another

"And the green grass grew all around!"

One of the kids at heart!

That old personality smile

Yea Team!

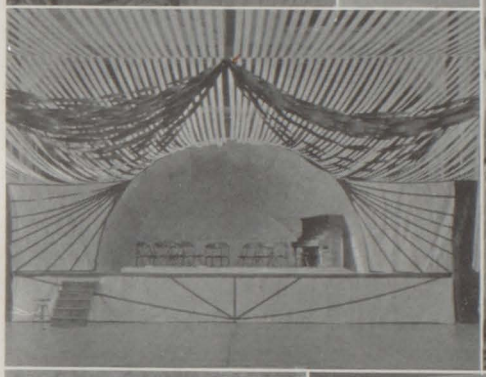
Pals!

Lochinvar, the great lover

Blow, Gabriel, blow

Daily Bull Session

Swing it! Where's the crowd?



Contemplation

Guess who?

Hillbillies

A penny for your thoughts

Pep parade???

Just guys and gals

Hi, gang!

Shall we . . . or shan't we?

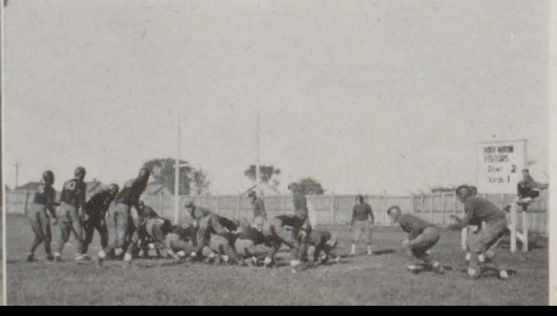
Joe, Joe, the barefoot boy!

Grrrrrrr!

It's a habit

No metal can touch you! (Paris garters)

Toscanine?



Brainy?

We want a touchdown!

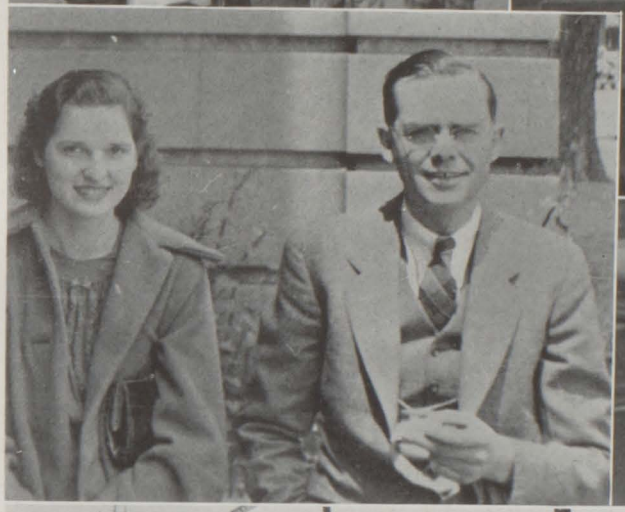
P. H. H. S. Heartbreakers

Wonder what mischief they are planning?

There are smiles that make us happy

French test, we'll bet

Where's Jack? and the Mrs.?



Wonder what caught their attention?

The bench warmers

And the March winds blew

The Old Maids' Convention!

Summertime

Stumped

Explain please

He did it!

Could you do it?

Waitin' at the gate

Flirtin'

"Light-housers" getting their pictures took

Watch it!

Some style!!
